EXPERIENCE

Core Committee Member   Mar 2022 - Present
Institution of Engineering and Technology, VIT   *VIT, Vellore*

- Achieved growth in Management using Administrative and Sponsorship skills.

- Participated in a 48Hr Hackathon with a team of 4 members and qualified first 2 rounds on the basis of idea and frontend which resulted in improvement of Web Development and Leadership Skills.

- Participated in Cook-off 7.0 organised by CodeChef, VIT.

- CodeChef - https://www.codechef.com/users/sumitaj556

PROJECTS

GITHUB: https://github.com/Sumitaj556

Animal Adoption Site. Semi-developed a website to help abandoned animals to find a permanent shelter for them by using ReactJS and NodeJS. We will also add details such as whether they are infected with any disease and the medication they are on by integrating backend using MongoDB.
